

## The Frederick Greek Festival 2026

### Sponsorship Opportunities

The Sts. Peter & Paul Greek Orthodox Church's Frederick Greek Festival has been a tradition in Frederick County for almost 30 years. This year we're having a 4-day festival, and we anticipate bringing in approximately 15,000 guests from the Frederick County area and beyond. Sponsoring our event is a great opportunity to help a local non-profit while getting your name out there to a large community. As the festival is considered a non-profit event run by the church, any sponsorship given can be written off as a charitable donation. We hope that you'll consider sponsoring this great event!
